Employer Ambassador
Preparing Employer for Work Placement

**Teacher**

- College introduces the benefits of work placement
- Teacher explains learning goals for the work placement including:
  - Assignments
  - Work Diary
  - Assessments at Work

**School/College**

- College maintains an Employer database of Employer Placements
- Employer agrees terms and conditions for Placement including:
  - Duration
  - Duties and responsibilities
  - Hours of work
  - Payment (if any)
  - Reporting

**Employer**

- Employer passes accreditation/ H&S checks
- Employer Inducts Student

**Student**

- Student arrives at Work for placement
- Work Placement Officer liaises with Student and Employer
